Elementary Staff Reverses Stand; Will Ask Pay Boost

Teaching staff of the Jefferson elementary school district have reversed their original decision and will ask for a salary boost at the May 9 meeting of the board of trustees, it was revealed Wednesday night by Fred Schweickhardt, chairman of the teachers' association finance committee.

Schweickhardt failed to reveal amount to be asked but implied that the committee would request Jefferson teachers' pay be raised to correspond with that of neighboring districts. Present salary schedule in the local district ranges from $3790 to $6480.

Jefferson teachers were given a two-and-a-half per cent boost in salary last year, while non-classroom certificated employees were awarded a 10 per cent raise.

Schweickhardt told the board Wednesday night that his committee is concentrating on raising the standards of the district. In line with ths policy, he said the group is studying the possibility of restricting salaries of provisional teachers (those without credentials).

Classified Request

Second salary matter to be considered by the board is a request made last night by William Maloney, representing classified personnel, that they be given a $25 per month wage increase.

Also asked by Maloney was that trustees consider upping overtime pay to $2.50 an hour. He claimed that present overtime wages are lower than regular hourly pay. Last request was that clerk's salaries be increased to $1.75 per hour. Present pay is $1.50 per hour.

In answer to a question from Chairman Michael Callan, Maloney said that employees "didn't come here with the idea of asking $60 or $80 but only want the amount of money paid into their pensions."

"All we want is a living wage," he declared, citing the example of one employee who makes $280 take-home pay and has a wife and five children.

Following Maloney's presentation, the board agreed to announce its decision on May 23.

In other business Wednesday night the board:

Contract Renewal

1. Tabled consideration of certificated staff members recommended for renewal of contracts until special personnel meeting at 7 p.m. May 9.

2. At the suggestion of Joseph Lewkowitz, asked persons interested in serving on a citizens' committee to study the Market street-Colma school problem to contact Superintendent H. Z. Weibel.

3. Agreed to expend $700 for soil tests on the Abraham Lincoln school site after Consultant Tom Thompson advised that a "look at the contour map would strike fear into any engineer."

4. Tabled action on request of Thomas Scafidi, former owner of the Buffalo Bill passage at Benjamin Franklin school, that he be allowed an easement into his garage.

Rec Tax

5. Agreed to transfer the $16,000 planned for recreation into capital expenditures, delaying joint city-school use of the recreation tax until 1957.

6. Authorized payment of $1416.71 towards a fire alarm system at Olympia school.

7. Awarded auditor's contract for next year to Warren Lefort whose bid of $800 was $50 over the low bid. Reason stated was that Lefort is familiar with district problems.

8. Hired John Paizis and Georgene Nixon as teachers for the next term.

9. Granted permission for Speech Coordinator Alfea Belli to attend a Bakersfield conference on May 4 and 5.

QUESTION MANAGER RESIGNING

The city council Monday night ordered an investigation of the resignation of City Manager Howard Stites from a similar position in Burbank, following publication of an article in Coronet magazine last week on alleged crime conditions in that southern city in 1952.

A capacity crowd gathered at the meeting Monday after City Treasurer Paul Selmi promised in a release to metropolitan newspapers that "indignant citizens" would be on hand to ask Stites' resignation.

Audience participation was limited, however, as the council broached the topic before Stites' opponents got the floor.

At the conclusion of routine business on the agenda, Councilman Micheal De Bernardi called for discussion on Stites, "Due to this magazine article."

Councilman Paul Hupf, while pointing out that the article, "Made no specific charges against Stites," said the council "should give this some thought."

Send City Attorney

He proposed sending City Attorney Frank Blum to Burbank to study crime commission reports and confer with Burbank officials, "with particular reference to the city manager." Hupf also suggested that Blum return with his findings and report to the city council at a special meeting May 7, at which time the council would meet as a personnel board, with only members of the council and press present."

Hupf's proposal was met with unanimous approval by the other councilmen.

Mayor Joseph Verducci remarked that, "It is our understanding that there are people who

Whopping Tax Rate Seen As Jeff Hi School Trustees Draft First Budget

EDWARD MORGAN, newly-named superintendent of the Jefferson Union High school district, presided last week over his first meeting of the board of trustees. Shown here at the special meeting are (left to right): Mrs. Mildred McGeein, trustee; Mrs. Ann Eason, trustee; Ray Whitney, trustee; Morgan; Lyal Ingersoll, board chairman; Mrs. Dorothy Paulson, district secretary; Elio Fontana, trustee; Glenn South, Westmoor High school principal, and John Mongan, Jefferson High school principal. THE RECORD photo.

Taxpayers are going to have to dig deep in the 1956-57 fiscal year.

What will probably be a blanket round of tax increases in all school and special districts was indicated Thursday night when the Jefferson High School district reviewed first draft of the 1956-57 budget. An increase in general tax rate from $1.17.8 per $100 to the legal maximum of $1.35 appeared imminent, and new interest and bond redemption will probably swell the total rate to $1.60 "or higher," according to the office of the county superintendent of schools.

The present 1955-56 general purpose rate is $1.17.8, coupled with 14.7 cents for bond interest and redemption, or a total of $132.5. But the 14.7 figure does not include repayment on the $2,000,000 plus in bonds which were just sold this year for Westmoor.

$9 More A Year

To the taxpayer whose home is assessed at $3000, operation of the high school in 1956-57 is going to cost about $9 or more a year in taxes.

Trustees Thursday night set a tentative budget of $871,962 for general purposes. This is more than $145,000 above last year's budget of $734,890.

The board has not yet computed how much will be set aside for capital outlay, undistributed reserve and general reserve. Rough estimates, however, indicate the following amounts will be allocated to these funds: capital outlay, $60,000; undistributed reserve, $50,000; general reserve, $600,000. This would mean the final budget would hit approximately $1,600,000, as compared with $1,295,876 this year.

The budget as studied by the board did not include some $56,400 which will be paid out in teacher salary raises this year, over the $581,823 already allocated for instruction. Instruction will be by far the district's largest cost, prob-

COUNCIL GRANTS DISPUTED REZONING ON PETER STREET

The Town Record

By MONTE DAYTON

An item on the Broadmoor police blotter read as follows Monday morning:

"Be on lookout for white male American, 35 years, driving maroon late model Nash, wearing green shirt only."

Byrne TV sold a couple of television sets the other day to two gents who walked in.

The buyers were WILLIAM SLACK and AL SCHROLL, pitchers on the roster of the San Francisco Seals, who reside in the Callan Heights area in Daly City.

They bought the sets so their spouses could watch them play on TV.

That's no way to build up the gate.

San Francisco citizens are still raising a stink in the metropolitan prints because a Daly City girl was chosen as queen for the big city's May Day Festival May 5.

She is JUDY MOORE, daughter of Mr. and Mrs. JOHN MOORE, 63 Westdale.

As festival officials red-facedly explained the situation, the Moores just recently moved from San Francisco to Daly City.

Many Daly City wives will become widows overnight this week end as the official spring madness, trout season, opens Saturday.

oThat one caravan alone from southern Daly City will have 36 anglers making a trek into the boondocks.

ED MOSCONI, temporary superintendent of parks and recreation, is not among those who have made application for the job.

(Continued on Page 2)

The disputed rezoning of 25 feet on Peter street to commercial classification was approved by the city council Monday night, after lengthy debate against the action by Attorney J. Albert Hutchinson, representing Peter street homeowners.

The rezoning of the strip on Peter street, one block east of Mission between Bismark and Gambetta, was sought by Neville Motors, 7360 Mission, to enable construction of a new and used car sales agency.

Residents of Peter street did not object to the commercial development, but sought to maintain a 25-foot R-1 buffer strip at the rear of the building to maintain the residential character of their street.

Hutchinson declared that the applicants had "no showing of any nature" on behalf of their plea for rezoning. The homeowners attorney declared that the rezoning would decrease the homeowners' property values.

"Destroy Residential"

"If you're going to have a city," Hutchinson argued, "you're going to have to plan it. Just because the motor company says its good, that doesn't mean you should destroy a residential area. We're here to help the city grow. There is no record to support the application."

Conrad Reisch, attorney for Neville, remarked that the commercial development would not impair property values. He also pointed out that without the 25-foot strip at the rear of the proposed development, his client would not be able to achieve the best use for the property.

The council approved the Neville rezoning and a similar zoning change for adjoining property in Union Park Resubdivision owned by William & Ricco Lagomarsino. Hutchinson opposed both applications.

Other Action

In other action Monday, the council:

1. Approved subdivision maps for Sherman Heights, located east of Atlanta street between Chester and Hoffman.

2. Officially set May 15 as date for recall election.

3. Concurred with resolution passed by South San Francisco urging veterans administration to locate a veterans hospital facility in San Mateo county.

4. Turned over to recreation committee request by Peninsula Celebration association for Daly City participation in the Fourth of July celebration in Redwood City.

5. Received request from former city clerk B. C. Ross asking that he be allowed to purchase the city's Marchant calculator for $10. The council said they would be agreeable if there were no further use for the machine in other departments.

6. Approved all applications as recommended by the planing commission and decided that in the

Jeff Hi Staff Wins $600 Pay Raise

Jefferson Union High school teachers were granted a $600 "across the board" salary increase by unanimous vote of trustees at a special meeting Thursday night. It is estimated that the raise will cost the district an additional $56,400, according to Edward Morgan, newly-named superintendent.

The increase brings teachers' salaries to a $4600 minimum and $7400 maximum yearly figure.

Morgan suggested that cost of the pay boost might be provided by switching a $160,000 allocation for Westmoor High school furniture and equipment, tentatively set for next year's budget, to the budget of the following year. He explained that the money will not be needed next year as Westmoor will not be completed.

The superintendent further advised that all operational costs, including that of the aforementioned furniture and equipment, be paid for out of bond monies. Discussion on details was delayed to a later time.

John Mongan, Jefferson principal and acting temporary superintendent, and Glenn South, Westmoor principal, both strongly urged passage of the pay raise. The two principals cited difficulty in obtaining good teachers under the present salary schedule as reason for their stand.

In commending the teachers' salary committee, which prepared the request, Mongan stated that older teachers would gain only a 9 per cent increase while new members of the staff would benefit by

Only Two Apply For Rec Director; Deadline Is Today

With deadline this Friday at 5 p.m., only two applications have been submitted for the position of Daly City superintendent of parks and recreation vacated recently by James Mason.

Mason left the post April 15 and the job is being handled on a temporary basis by Edward Mosconi.

Because there are only two applications, the deadline for filing will probably be extended. Date for the examination is May 4.

Salary range for the position is $395 to $481.

This Friday is also the deadline for submitting applications on the Secretary III position, secretary to the city manager. Examination for this position is May 3.

Examinations are also being held this Friday for parking meter reader, street maintenance and gardener positions.

Lone Parader Disrupts Mission Street Traffic

One-man parade down Misison street resulted in several near accidents early Saturday morning when unsuspecting motorists slammed on their brakes to avoid hitting the lone attraction.

Police, called to the scene, said they found Carl Gruenwald, 50, construction laborer of 133 Gambetta street, "staggering diagonally" across Mission street.

Gruenwald was booked at the city jail on a drunk count, later released on $25 cash bail and is scheduled to appear in municipal court next Thursday.

A Cappella Choir To Appear Here

The Daly City Recreation department and the Vista Grande Concert association will join forces to present the San Francisco State college a capella choir in a program of musical favorites, it was announced this week.

This outstanding musical group will be presented under the joint auspices of the two sponsoring groups at the War Memorial building, Mission and Alp streets, May 8 at 8:30 p.m. The public is cordially invited to attend the concert. No admission will be charged.

The San Francisco State college a capella choir have been widely acclaimed wherever they have appeared. President Thomas E. Brewer of the concert association emphasized that attendance to the concert is not limited to members of the concert association but is open to the public and is being presented to the residents of this area by the Vista Grande Concert association and the Daly City Recreation department.

BRAGATO TO INSTALL HILLSIDE MANHOLE

Bragato Paving Co. was awarded contract for installing a manhole near 550 Hillside boulevard in action by the North San Mateo County Sanitation district board of directors Monday.

Bragato's bid of $872.50 was under the only other proposal, that of Associated Pipeline, $1545.

The board held over action on hiring of a sewer maintenance man.

Daly City Infant Dead On Arrival At Hospital

A Daly City infant who was being treated for acute bronchitis was pronounced dead on arrival at Junipero Serra hospital Wednesday morning after she had been rushed there by Daly City police, who were called by the tot's father.

Diane Lynne Perrier, 9 months old, was found gasping for breath on her bed by her father, Edward Perrier, 125 Peoria street, Wednesday morning, according to police reports.

Police Officer Lester Bastedo responded to the father's call and rushed the baby to the hospital, since the father had to stay with other small children in the house.

Police said the father informed them the infant became sick Tuesday night. She had been examined April 12 and was being treated for acute bronchitis. Cause of her death awaits a coroner's autopsy.

Funeral will be held from W. C. Lasswell & Co. this Friday at 12:30 p.m.

AWARD BRAGATO BID FOR PAVING HILLSIDE BLVD.

Contract for re-paving Hillside boulevard was awarded to Bragato Paving Co. Monday night by the city council.

Their bid of $24,813.55 was low of five submitted.

Under the contract, Bragato has 50 working days in which to finish the re-surfacing job. Of the total cost, the county will pay 23 per cent.

Councilman Micheal De Bernardi directed City Manager Howard Stites to investigate possibility of having Bragato Co. also handle the Valley street improvements while the contractor is in this area.

Stites said if the job could be done for under $2000 the council would not have to call for formal bids, but could seek estimates on the project.

Pair Hit Gas Station For $75 In Robbery

Two robbers held up the Associated gas station at 2408 Junipero Serra boulevard early this Thursday morning and escaped with $75 in stolen bills, according to police reports.

Louis Buchel, 69, of 393 North Parkview, Daly City, the station attendant, reported to police that two men came into the station about 12:40 a.m. Thursday when the station was empty of customers.

One of the men asked Buchel for a light globe, and when he turned to get one the other suspect struck what Buchel thought to be a gun in his back and said "this is a stick up."

Buchel said the other suspect then took all the bills from the cash register and warned him not to move "or we'll let you have it through the window."

Buchel said they escaped over a rear fence into a parking lot, but that he heard or saw no car leave.

According to police, Buchel described one of the robbers as blond, about 5'6", 20-25 years old, wearing a blue jacket, and the other as dark, about 5'8", 30-34 years old, wearing a black leather jacket.

Daly City Spring Festival At Memorial Bldg. May 6

Daly City's ninth annual Spring Festival has been scheduled for May 6 at the community center, the recreation department announced today.

According to Ed Mosconi, temporary superintendent of parks and recreation, "This will be an outstanding civic event of the spring season. All residents of the area and neighbors in the surrounding communities are invited to attend the festival."

The program will start at 12:30 p.m. and conclude at 3:30 p.m.

Music for the festival will be provided by the Daly City municipal band, under direction of George Brenner. The musical program will include many popular selections from recent Broadway stage successes.

One of the opening selections will be the ever popular "Victory At Sea" overture. In addition to the musical entertainment, local children will display their talents in a series of acts and performances to diversify the program, Mosconi added.

Among the selections will be a piano duet, popular vocal, accordian solo and specialty dances.

The event is sponsored by the recreation department in cooperation with the coordinating PTA council and the Daly City Garden club.

1:30—National Anthem.

PROPOSE $165,000 GUARD BUILDING

The state of California will construct a $165,000 National Guard armory here if the city donates two acres of land, the city council was told Monday night.

Spokesman for the 159th infantry regiment, National Guard, was Col. Paul R. Teilh, who told the council that the local unit's present quarters on Market street in Daly City were inadequate.

He explained that the state will not spend money for sites, but will bear all cost of construction if the land is made available.

Col. Teilh said that the armory would be of the "two-unit" type. One unit of four officers, 125 men, is already in operation in Daly City and a second one would be formed here, he continued.

According to the colonel, the armory would be ideal as an adjunct to present recreation facilities.

Col. Teilh went on to point out that the cities of Burlingame; San Mateo and Redwood City have already seen fit to make land available for the National Guard buildings.

Presently the Guard is occupying a vacated paint plant on Market street, for which they pay $200 a month rent. The rent will be increased to $225 on July 1, the colonel added.

Col. Teilh said his proposal would be forwarded to the council in writing in the near future, and he asked a written answer from the council.

Councilmen said they would consider the proposal.

Members of the Guard appearing with Col. Teilh were Lt. Col. Curtis O'Sullivan, Major Harry Nicolson, and Capt. John Creighton, all of the 159th infantry. Creighton is commander of Co. L, the Daly City unit.

The Daly City unit grew from one officer and six men two years ago to its present size of four officers, 125 men.

NATIONAL GUARD armory proposed for Daly City would resemble above building in Sacramento. The state will construct $165,000 armory here if the city donates two acres of land for a site, a spokesman for the Guard told the council Monday night.

ably amounting to about $640,000 when the final budget is in. Operation was listed as the second highest expense at $90,323, while maintenance, $56,262, was next.

Bond Issue Looms

Even with the whopping increase in the tax rate, bond issue next fall seemed a certainty, trustees said. While the district is now bonded to the legal limit, new assessed valuation will make this possible.

The bond issue won't be felt by taxpayers until the following fiscal year, however, after sale of the bonds.

Trustees still have several more sessions before they will have the budget ready for submission to the county office on June 30. On July 10 the exact tax rate will be computed and final adoption deadline is August 6.

DEMOS HOLD FIRM REGISTRATION EDGE

The Democratic party continued to hold a substantial lead in registration in Daly City, according to figures released this week by County Clerk John A. Bruning.

Out of 11,983 registered voters in Daly City, 7540 are listed as Democrats, 4156 as Republicans.

In Colma, Incorporated, the GOP held a slim edge with 70, against 67 Demos.

There was no breakdown given for Broadmoor, but throughout the 25th Assembly district (northern San Mateo county) the Democrats held 37,682 party members, compared to 31,619 for the Republicans.

Local Blood Donors Win Accolades

Two local residents were among 22 persons honored Tuesday night at the 14th annual dinner of the Peninsula Memorial blood bank association, held at San Mateo Elks club.

Named as the outstanding blood donor in Daly City was Kenneth W. Martin, 280 Oaklawn, who was credited with giving nine pints of blood at the Memorial bank.

Broadmoor's top donor was Robert E. Holcomb, 867 Beechwood drive, who has given eight pints.

Both received certificates of merit.

San Mateo's Jerry McCormick, with a record of 48 donations, was the county's top donor.

U. S. Simonds Jr., vice president of the blood bank, made the awards.

JEFF HIGH STAFF WINS PAY RAISE

15 per cent.

"Committee members, most of whom fall in the higher salary schedule brackets, unselfishly wished to strengthen the district by attracting young people to come here and teach," Mongan declared.

In granting the increase for teachers, Morgan strongly indicated that he also would recommend pay boosts for the two principals and for classified personnel.

Seven Volunteer For JESD Citizen Group

A total of seven persons have volunteered to serve on a citizens committee dubbed "What Should the School's Accomplish," it was revealed Wednesday night by Mrs. Carl Berg and Mrs. John Sorenson, co-chairmen.

Jefferson elementary school district trustees approved the group Wednesday night with the stipulation that it be increased to include members from all areas of the district.

Those who have volunteered for the committee are Lee Lester, Mrs. James Moses, Mrs. Lyal Ingersoll, Mrs. William Beck, Mrs. W. Foster, Mrs. L. Green and Mrs. Jack Baird.

Persons interested in joining the group may call Mrs. Sorenson at PLaza 5-3068 or Mrs. Berg at PLaza 5-1657.

QUESTION MANAGER RESIGNING

(Continued from page 1)

think they have factual information on this case for us to study. If anyone has, turn it over to Mr. Blum. We would be happy to have it."

Selmi, leader of a recall group against three city councilmen and long-time foe of Stites, asked if Blum's report May 7 would include a transcript of hearings before the California crime commission in Burbank in 1952.

"That will be made available," the mayor replied.

"Just to you and no one else?" queried the treasurer.

Hupf answered, "It is my intention to make the entire matter one of public record once the council has received Blum's report."

Selmi, in statements sent out to newspapers last week, based his claim that Stites is incompetent and "a menace to Daly City" on a paragraph in an article in the current issue of Coronet.

The article, entitled, "Small Cities Can Lick Crime, Too," relates how the city of Burbank was "cleaned up" in a concerted anti-crime drive by local businessmen.

Mentioned Briefly

Mentioned briefly in the article is Stites' resignation after 21 years as Burbank city manager. His resignation followed the crime commission's 1952 investigation.

In a statement issued to the press Monday, Stites quoted from a report by the Burbank citizens' crime prevention committee, "with whom I had cooperated." It read:

"Stites predicted that he would undoubtedly be criticized by members of the Burbank city council for his visit to the office of the citizens crime prevention committee. Within a week after this conference, Councilman Jolley said that Stites had double-crossed the council by visiting the office of the citizens crime prevention committee. Jolley said he was going to fire Stites.

"The Burbank city council issued an ultimatum to Stites on June 10, 1952, to either resign at the council meeting the following Thursday or be fired. During the closed door discussion with Stites, among items called to his attention was the fact that he had authorized the chief of police (this refers to the new chief of police whom I personally appointed) to enter the crime probe and that he had voluntarily visited the office of the Burbank citizens crime prevention committee.

"Stites submitted his resignation as requested on June 12, 1952. His letter of resignation in part is as follows: 'The council's encroachment on administrative functions, however, has progressively increased to the point where the city manager no longer can effectively direct the operation of city government. I have continued in my position in the hope that this condition might improve. Such improvement has failed to materialize. I am now convinced that hope for improvement under these conditions is futile.'"

At the end of his statement, Stites adds, "The council which requested my resignation was the council which was being investigated by the crime commission. It may be noted that I was the one who forced the resignation of the then chief of police, Elmer Adams, for his refusal to testify before the crime commission."

An excerpt from the state crime commission's report on Burbank dated May, 1953, read as follows: "Although the city government is organized on the city manager plan, the chief of police has for many years been closely controlled by the members of the city council."

Testify or Resign

A letter dated April 21, 1952, from the crime commission to S. Ernest Roll, district attorney of Los Angeles county, cited chief Adams refusal to testify on the grounds of the fifth amendment. Three days later Adams quit. Stites quit approximately three months later, charging "encroachment on administrative duties." Stites offered the chief of police his choice to "testify or resign," according to information received by this newspaper. At the time the crime commission held its hearing, one city councilman resigned shortly thereafter, and the three others were voted out of office at the next election.

The Town Record

(Continued from Page 1)

Deadline is today at 5 p.m.

By the way, the city might consider hiring a full-time election official, just to handle Daly City's balloting.

After tabulating ballots from one election, he could start setting up precincts for the next one.

ARM TWISTING THIEF GAINS $20 LOOT IN PURSE SNATCH HERE

A Daly City housewife was robbed of $20 in valuables early Saturday morning as she walked homeward on Mission street. Victim of the "arm twisting" thief was Mrs. Eva Mae Domingo, 280 North Parkview avenue.

Officers said that Mrs. Domingo was on Mission street near Goethe at 3:30 a.m. when a bandit suddenly jumped from behind a power pole. Without saying a word he grabbed her arm and twisted it until she dropped her purse.

Running to a waiting car, the thief escaped.

JESD Teachers Object To Being Kept In After School

Should teachers be kept after school?

In a recent survey of the Jefferson elementary school district faculty, an overwhelming majority declared they were against recent administration policy of requiring teachers to stay after school until 3:45 p.m. Objections were all based on the "principle of the thing" and not on the actual time limit.

Cries of "taxation without representation," "professional yet unionized," and the "principal has passed the buck" were evident in the survey.

Teachers claim that the mandatory time limit has been put into effect because of "a few," and that most members of the faculty are working at their desks long after school closes for the children.

Of 125 persons questioned, 113 emphatically declared that they were against the time limit, eight answered that they were in favor of it and four failed to vote. Of the eight who said they favored the ruling, two said they did so because they already stayed after school past the 3:45 o'clock limit.

The teachers' Professional Relations committee, which prepared the survey, recommended that the ruling be withdrawn and that control of early goers be left up to the jurisdiction of the principal. In answer, the board said they would announce their decision on May 23.

Presentation of the committee's findings was made by Ken Warren, who stated, "Teachers should be treated as professional people and shouldn't have to punch a clock."

Warren was joined by Mrs. Jane Watson who first voiced the statement that teachers generally stay after the state-requirement of 15 minutes after class.

Miss J. Strothman's suggestion was that each school provide a sign-out sheet.

In tabling the problem until the May 23 meeting, every board member except Joseph Lewkowitz was in accord. Lewkowitz asked that trustees follow the teachers' request.

SELMI TO MOVE IN WEEK -- BUT NO SECRETARY

City Treasurer Paul Selmi will probably move into his new full-time quarters in the city clerk's office next week, but he'll soon be without a secretary to help him in his eight-hour-a-day job.

The city council Monday night ruled that they would make a supplemental appropriation for a secretary for Selmi, up until the time that he moves into city hall.

Councilman Micheal De Bernardi explained that the salary received by Selmi's secretary is not provided for in the budget.

City Manager Howard Stites said Selmi had asked that his quarters in the clerk's office be partitioned off from the rest of the office.

Stites said this work would take about a week.

"We made this job full time so there would be only one person handling the job," De Bernardi said, in pointing out that a special appropriation should be made only until the time Selmi moves into city hall.

Figure Held In '54 Dope Arrest Jailed For Burglary In SF

James Lorenzana, 21, arrested in Daly City in August, 1954, in a crackdown on alleged narcotics activity, was indicted by the San Francisco grand jury Monday night on charges of burglarizing the room of a night club dancer on April 16.

Lorenzana, who now lists his address as 74 Sixth street, San Francisco, was picked up with two other youths in a 1954 raid by district attorney's office and local police at a residence at 6596 Mission street. He was charged with possession of narcotics.

The arrests touched off an investigation which led to charges that the Hilltop Lodge, 22 Hillcrest drive, was the alleged center of the illegal narcotics activity. After a series of hearings before the state board of equalization, the night spot's liquor license was ordered revoked.

Lorenzana's latest arrest was for the alleged burglarizing of the room of Lim Lugone, a night club dancer, at 539 Bush street, of $500 in jewelry on April 16.

Doelger To Present Cost Estimate On Convertible School

Cost estimate on providing five Westlake houses for use as temporary classrooms to ease the double sessions problem will be provided the Jefferson elementary school board within ten days, Jack Kendree, Henry Doelger representative, told trustees at their meeting Wednesday night.

Since it is expected that double sessions will be eliminated by January of next year, the board asked Kendree to limit his cost estimate to the four month period prior to January.

Kendree pointed out at the meeting that original plan to lease residences adjacent to the Abraham Lincoln school would have to be dropped because Doelger will not start building in that area until February. Trustees then requested Kendree to report on houses available in September.

Following action by the board asking Kendree to forward needed information, Ed Cyr, James L. Snell PTA member, urged trustees to follow up on the matter and not let it be forgotten. Original suggestion that the board take such an action was made by the Snell PTA committee to eliminate double sessions.

Every seventh person employed in the United States works in highway transport industries, reports the California State Automobile Association.

SET GOVERNMENT BACK 20 YEARS?

An organization going by the misnomer of "Better Government for Daly City Group" has contrived to force a recall election against three city councilmen May 15.

This election will cost the taxpayers of Daly City approximately $4000. Less than two years from now the voters could decide the political fate of these councilmen at a regularly scheduled election.

It is probably apparent by now to most observant citizens that the Better Government for Daly City Group has made much ado about nothing—a lot of smoke, but little fire. It must also be apparent by now that the city is about to throw $4000 down a "rat-hole" to satisfy the whims of a minority political group.

Certainly there are issues with which a large segment of citizens are going to find fault from time to time. Such is government, and it wouldn't be an American type of government if this healthy controversy didn't exist.

But the State of California has established accepted intervals when the voters can choose their representatives. The law says that an elected official in a sixth class city must place his record before the voters every four years.

The only exception is when an official has been found guilty of outright graft, gross misconduct in office or derelection of duty. And derelection of duty doesn't mean refusing to bow before the partisan influence of a minority group. If a councilman's stand is unpopular with enough people, he will not find his way into office at the next election, but merely taking a stand certainly isn't grounds for recall.

It is difficult enough to get conscientious men to devote the long hours and concentration that city government requires. But to further insult these men who have voted honestly by recall proceedings is probably the most damaging single thing that could have been done to this city's future leadership.

In the future, a person will think twice before considering candidacy to city government with the knowledge that if he thwarts a powerful minority he is subject to attempted recall.

Already it is evident that potential job seekers have skirted Daly City because of the political tempest that exists here.

Daly City's name, and the names of its councilmen, have been dragged through the political mire, all because these councilmen took a stand on certain issues—a stand that did not fit the demands of the small but noisy clique.

We are opposed to the recall and urge every voter to vote "No" at the polls May 15. Only in this way will the city protect itself from similar civic "black-eyes" in the future and reject government by a militant minority.

If the May 15 recall is successful, Daly City's government will be set back 20 years.

THE SHOPPING BLOCK—

Congratulations to the SNO-MAN for its choice of red and white peppermint striping for a striking paint job! And condolences to Rose Cooper of COOPER'S KITCHEN for having to give up wearing her favorite (or otherwise) earrings while she cooks those super COOPER'S dinners and short orders!

Our personal "Thanks" to WM. J. SWEENEY & SONS for the help they gave me and one "stalled" Chevvie...and with no "charge" except the kind anyone gets from a friendly hand when you need it most.

McGRAW BROTHERS "REXALL" DRUG STORE at 6300 Mission Street now has "Register Check" personal money orders. Handled through the Crocker-Anglo Bank, this service is noteworthy for its extremely low "charge" rate which amounts to just 20c for a money order of $150.00! SAVE on these—and SAVE too, by shopping the REXALL ONE CENT SALE way. This semi annual event starts April 30 and will last for one week. Keep the date and the store—McGRAW BROTHERS—in mind for unheard of savings on drugs and sundries.

A challenging and certainly "no product boosting" contest with prizes such as an all expense trip to New York or a beautiful 17 jewel wrist watch is that one co-sponsored by the DALY CITY DRUG CO. and TV Station KSAN. Pick up your entry blank at the DALY CITY DRUG CO. and write approximately 25 words on the subject "Our Highways can be made safe by....." Nothing to buy or try and as we've said before, the subject is really worthy of your best effort!

SHANNON HARDWARE & APPLIANCE CO., located at 6370 Mission street, now offers you those wonderful and full sized "polythelene" clothes baskets for just $3.98! Not too long ago, these were close to six dollars each—then five—and now "where we can afford to have one." See these at SHANNON HARDWARE and be sure to ask for your Thrifty Shopper Stamps when you buy!

And a special word of "Thanks" here for those Sunday hours kept by the RELISH BAKERY: 6:30 a.m. to 10:00 p.m. and our lifesaver more than once!

Dropped by RAY-AL'S STORE FOR MEN at 6201 Mission and found that the label "hot stuff" is applicable to more than RAY-AL'S marvelous merchandise for men! Seems that Ray Lagomarsino, being a hard summer's worth of work ahead of him, took off Saturday night for a week's vacation in Boulder Creek. Sunday morning one complete block of Boulder Creek burned to ashes and we're wondering if Ray's vacation feelings will ever be "dust" the same again.

Since we're sure everyone in town has seen the blue and gold panel truck bearing the words DALY CITY SUPER SERVICE (and the sound truck following)—we hereby like to tell you its story. DALY CITY SUPER SERVICE owner, Joe Lewkowitz, bought the truck after CROCKER CLEANERS had discontinued using it for their service and he really "gave it the works"—from the insides to the outside paint job. "Purrs like a kitten" says Joe, "and shows what we can do for your car, too!"

NEW CITIZENS TELL TALE OF FLIGHT FROM RUSSIA

Being an inmate of a Russian concentration camp is a long way from owning an Independent food market in Daly City, and few people are fortunate enough or possess enough courage and perseverance to make the transition.

But, nevertheless, that is the story of Tosnia and Morris Szames, natives of Poland and now owners of the Budget Savings Store, 6001 Mission street. And, to top off their remarkable story, the Szames became American citizens April 4.

The Szames say simply, "We're very happy to be here." But a feeling of gratitude and happiness that cannot be expressed is evident in their eyes as they say these words.

They came to the United States from Sweden with their daughter, Esther, 10, in February, 1951, and came to Daly City almost immediately. Mrs. Szames' son, Ben, 23, arrived two years ago.

The Szames met while woking as captives of the Russians during the second World War and were married in 1944. Mrs. Szames' first husband, along with other of her relatives, was burned to death by the Germans in 1939 during their occupation of Poland.

Mrs. Szames and her son, who was then six years old, escaped into Russian-occupied Poland, and were interred in a concentration camp. Here she was treated particularly harshly because her hands showed she had been a "capitalist" business-woman.

She spent the first three years in camp without a roof over her or her son. "We lived on the ground, and I cooked in the snow."

When the Germans and Russians begain to fight each other, Mrs. Szames and her son were "released" and sent into the Russian republic of Turkistan, near Syria, to work. This, Mrs. Szames recalls with a sarcastic smile, the Russians called "freedom." While working as "free" people, she and her present husband met and were married.

When the war ended, the Szames decided to try to escape back to Poland because they were afraid the Russians would never send them back. "Friends of ours who had similar experiences in the first World War said the Russians made the same kinds of promises then. They would send some back as an example, and say the rest wished to stay and work in Russia, although they did not."

Secondly, Mrs. Szames was expecting a child. But perhaps most significant was the fact that Russian brutality had pushed the Szames to a point where they would gladly risk death to return.

The Szames got their chance when they were put in charge of some cattle being shipped near the Polish border. They jumped the train and made their way back to Poland.

Their escape was made more remarkable by the fact that Mrs. Szames had just given birth to her daughter, Esther, in a boxcar the Szames shared with 13 cows. Mrs. Szames delivered the baby.

On returning to her home town, Szames shared with 13 cows. Mr. Mrs. Szames found nothing remaining, neither residents nor dwellings. The Szames wished to come to the United States then, but emigration from Communist Poland was not possible.

After a six-month stay, through arrangements made by an uncle, the Szames managed to get to Stockholm, Sweden, in November, 1946, from where they applied for admission to the United States.

They arrived penniless in Sweden, but soon started a small wholesale business and sustained themselves until 1951, when they were finally admitted to the United States.

Now, five years later, they are American citizens, and a new and far happier chapter in their lives is beginning. The Szames have come through their ordeal very well. Today they are a healthy looking couple with life in their eyes.

They now own their own home next to their market. Esther is a pupil at Crocker elementary school, and Ben works as a salesman in a San Francisco shoe store.

But they can still vividly recall bitter experiences, and Mrs. Szames said, "You people can never realize what conditions were actually like. You can imagine, but you can't know."

And as they look at the past they only hope that there can be peace so "no one will have to go through what we did." Again they say, "we are very happy to be here. We thank all those who made it possible for us to come to America."

HAPPY CHAPTER in the lives of Mr. and Mrs. Morris Szames of Daly City was opened recently as the Szames gained their American citizenship. Formerly inmates of a Russian concentration camp, citizenship is something the Szames really can appreciate.

Something For Everyone

News of Your Local Library

Mental illness is taking a greater toll in the United States than ever before in our history. According to recent figures, there are some 700,000 men, women and children in mental hospitals—more people in mental hospitals than in all other hospitals combined.

In observance of Mental Health Week, April 29 to May 5, the Daly City Public Library is calling attention to books and pamphlets available at the library on the country's number one health problem.

Mental hygiene information can be found in such recent books as John Schindler's HOW TO LIVE 365 DAYS A YEAR, David Fink's BE YOUR REAL SELF, and Bernhard's PRACTICAL PSYCHOLOGY.

For those who wish to delve deeper into the subject, WHY YOU DO WHAT YOU DO, edited by Robert N. Linscott and Jess Stein, contains articles by a number of leading psychologists, psychiatrists and anthropologists. Helen Dunbar's MIND AND BODY: PSYCHOSOMATIC MEDICINE tells of the physical symptoms that may result from mental disturbance, and Clifford Beers' A MIND THAT FOUND ITSELF is a classic by a former mental patient who made his way back to normality.

A number of books tell how to overcome fear, worry, anxiety and emotional strain. They include Joseph Kennedy's RELAX AND LIVE, Marie Ray's HOW NEVER TO BE TIRED, Dale Carnegie's HOW TO STOP WORRYING AND START LIVING, and Louis Bisch's CURE YOUR NERVES YOURSELF.

There are several books by Harry A. and Bonaro W. Overstreet, beside the ever-popular THE MATURE MIND. They include Mrs. Overstreet's UNDERSTANDING FEAR IN OURSELVES AND OTHERS and HOW TO THINK ABOUT OURSELVES. Her husband's THE GREAT ENTERPRISE: RELATING OURSELVES TO OUR WORLD is almost equally popular.

Other books at the Library include Dr. Martin Gumpert's THE ANATOMY OF HAPPINESS, MANAGING YOUR MIND, by S. H. Kraines and E. S. Thetford, and Henry Clay Lindgren's THE ART OF HUMAN RELATIONS. The special problem of alcoholism is discussed in Ralph A. Habas' HOW TO LIVE WITHOUT LIQUOR, as well as in other new books at the Library.

For those in search of religious and philosophical help in their everyday living, the Library recommends such popular titles as Bishop Sheen's THINKING LIFE THROUGH, Billy Graham's THE SECRET OF HAPPINESS, and Dr. Harry Emerson Fosdick's ON BEING A REAL PERSON.

These and many other books to help you with problems of everyday living are available at your Daly City Public Library, 6351 Mission Street, and at the newly-opened Westlake - Broadmoor Branch Library, 34 Park Plaza drive. Remember, your public library has something for everyone!

Taxicab Decision Is Held Over By Council

Decision on application of two firms to operate taxicabs here was put over again by the city council Monday night to give new councilman Paul Hupf more time to study the matter.

Seeking permits to operate here are Westlake Taxi Co., owned by George Mountanos of Westlake, and Yellow Cab Co.

No mystery that GLEASON'S DRESS SHOP has long carried such famous brand names as Georgette, Little and Lady Alice, Forever Young and Jonathan Logan—but now—GLEASON'S has two new and lovely style additions: dresses by "Elinor Porter" and some gorgeous pure silks (straight sizes 10-18) by "Emile." See them soon at GLEASON'S DRESS SHOP and be sure to ask for Thrifty Shopper Stamps when you make your purchase!

Those of you who have missed the crowd of boys always in front of what was just a short time ago the DALY CITY HOBBY SHOP on Mission will find them—at 177 Southgate avenue in Westlake. Cliff and Peggy Terry are now located there—still as the DALY CITY HOBBY SHOP and with an even greater selection of hobbies than before.

The soon to open CARLO'S PIZZERIA (located on top of the hill and formerly Alberto's) is already well known for the delicious dinners it serves in Lomita Park. Watch for the date and make it your day for dinner "out!"

RECALL ISSUES: CITIZENS ASK FOR SHOWDOWN

The Citizens Committee Against Recall today issued a challenge to the leaders of the recall movement.

In a prepared statement, the Citizens Committee said, "We would like to invite this group to take any charges they have against the three councilmen to the grand jury for its scrutiny. We know they will not accept the challenge because their charges are irrelevant, unsubstantiated and purely political gobbledygook."

The Citizens Committee urged all citizens to go to the polls at the special election May 15 and vote "No" on recall, "To insure government by the people as a whole, instead of by an ambitious minority political faction."

The Citizens Committee pointed out that, "There are absolutely no grounds whatsoever for recall of these councilmen. The recall action is anabusive, political move. It is this type smear which discourages qualified men from seeking public office."

Taking the charges one by one, the Citizens Committee said each one can be refuted. First was, "Disregard of the rights and wishes of the people." This, the Citizens Committee explained, "Arose out of the firing of a police officer. The officer's dismissal was twice upheld by the superior court. The second charge, questionable bidding procedures, came up because the city accepted 'high' bid on a piece of equipment. The 'high' bid was actually an exceptionally low price for a piece of equipment many times superior to that offered by the other two firms competing. Third charge, permitting violation of legally required fiscal procedures, is ridiculous," the committee continued. "This charge arose out of a fund transfer which was disputed by the city treasurer. This same transfer was held perfectly legal and proper by the city auditor and a legal firm which is a foremost authority on revenue bonds.

"This election is not a popularity contest for the three councilmen," the committee continued. "It is to decide whether a minority can dictate government by pressure tactics, or whether the citizens can elect their officials under recognized governmental process."

Two For Tonight

By Leonore Brewer

This week we decided to devote our space to "The Swan" currently at Loew's Warfield. We went to see it, not because of a belief that it is destined for greatness at some film festival, but because once in a while it's nice to check today's high tension living outside a theater and spend an hour or so in a CinemaScopic Eastman Colored world of a different day. Certainly, nothing could be further from today than this delicate confection full of light comedy touches and many a sly dig at the institution of monarchy.

Laid in 1910 in a Central European country, "The Swan" tells the oft-told tale of a crown prince (Alec Guinness) in search of a future queen. Having interviewed all other suitable candidates, he finally visits a family whose last chance to get back into the royal swim is their daughter (Grace Kelly).

Hondsome rival

Certain that they can't fail, mama (Jessie Royce Landis) gives her daughter a copy of the Almanach de Gotha to read, to bring her up to date on the prince's relatives. Her confidence is short lived as he is politely indifferent to the princess' well-bred charms.

As a last ditch maneuver in this war of succession, mama produces a "rival" in the person of the handsome tutor (Louis Jourdan), hopeing thus to kindle the crown prince's interest. Blinded by her petty snobberies ("You'll be wearing gloves when you dance with him, so there'll be no real contact") mama is oblivious to the danger in such a move.

Of course the princes is tempted, but not too deeply, by love in a cottage, and of course the crown prince sees her in a new light and of course the swan sails on to her royal destiny, only slightly ruffled by her first brush with romance.

Prize flower

Once again Guinness shows his fathomless versatility in the role of the restrained, urban prince. Miss Kelly is like a prize lily, waiting with maidenly modesty to be transplanted to a royal garden. Miss Landis is excellent as her mother, ambitious without being hard, and Jourdan is never too desperate in his brief romance.

Other characters are portrayed by Brian Aherne, as the member of the family who hasn't completely abandoned the world even though he has entered the Church; Agnes Moorhead, who makes a brief appearance as the queen mother and Estelle Windwood, a delightful whispy aunt who doesn't like the twentieth century.

It is a beautiful production, telling with grace and elegance of a way of life that, thanks to two world wars, high taxes and a revolution or two, seems as remote as ancient Baylon.

Over on Brunswick street I hear that KATHY GILMORE also had a party Saturday to help her celebrate her sixth birthday. This young one is quite proud of being selected the May Day "Queen" at the Crocker Pershing school.

After several months of mumps in various homes along Muirwood drive, latest report tells us that once again all is well and back to normal (we hope).

Birthday wishes are being sent to MIKE and VIOLET NAVARRA of Abbot avenue and DOMINIC and ADELINE NAVARRA on Niantic avenue, who we hear in the last week have each claimed a birthday.

Letters from Palermo, Italy tell the family of MRS. THERESA SAMPINO of Wilson street that she is having a grand time getting re-acquainted with her brothers and sisters after a 43 year separation.

DC POSTMASTER URGES SAFETY PRECAUTIONS

Every person should frequently inspect his own mailbox and replace it with a new one before it becomes rusty and jagged, Postmaster Vincent P. Murphy of Daly City said today.

"Rusty, jagged mailboxes, which postal workers call meat cutters, are high on the mailman's hate parade," the postmaster said. "There are too many cases of letter carriers suffering bad scratches from rusty mailboxes, and then making a hurried trip to the doctor for an anti-tetanus shot."

He added that another accident hazard is caused by careless motorists who park their automobiles in front of rural-type mailboxes. "This forces the carrier to make a long reach to put the mail in the box, and has resulted in many a strained back when the heavy mailbag has thrown the mailman off balance," he declared.

Lawn sprinklers which are allowed to make sidewalks and driveways wet and slippery create accident hazards, Murphy said, in citing another hazard. Many letter carriers have suffered serious back injuries from falls on slippery pavements.

"We hope the public will cooperate to help prevent accidents to the postal workers," he concluded.

Twenty-seven per cent of all drivers involved in fatal auto accidents in th U. S. last year were under 25 years of age.

Eighty-five per cent of the vehicles involved in accidents were passenger cars.

Colma elementary school's seventh and eighth grade softball teams scored easy wins in a double header with South San Francisco Monday. The eighth graders won, 8-2, and the seventh graders did likewise, 10-1.

A grand slam home run by Boyd John highlighted a seven-run first inning for the eighth graders, who coasted in from there. It was his second homer in as many games.

George Muller doubled Richard Greenwood across in the fourth inning for Colma's other score.

Leading 2-1 at the end of the first inning, the Colma seventh graders exploded for three runs in the second and five in the fifth.

Playing for the eighth grade were Jim Sarro, Roy Roberts, John Crowhurst, Luther Massey, Benito Lopez, Grady Robertson, Gary Baughn, Terry Tracy and Roger Johnson.

Seventh graders seeing action were Jerry Hyndman, Jim Lufrano, Ronnie Petrocchi, Gary Moneyhum, Sonny Stoller, George Claus, Jack Fuertes, John Souza, Mike Seelig, Ronald Barry, Barry Krohn, Steve Anderson, Allen Lee and Darrel Woodside.

Indian Trackmen Down Caps; Grab Second Spot

Jefferson high school's varsity track and field squad ended the dual meet season in second place by grabbing a 64½-48½ NPAL win over Capuchino Friday on the Jeff oval.

The Indians also took the thirties division, 77½-34½, but dropped the twenties meet, 36-32. Both Jeff lightweight squads wound up in third place in their respective divisions.

Today (Friday) the Indians warm up for the NPAL trials at Capuchino next Friday in a dual meet with Palo Alto, the PAL powerhouse, at Palo Alto.

Sprinter Lowell Klaisner and weightman Jim Farley provided double wins to spark the Jeff varsity to its fourth dual meet win in five league starts.

Klaisner won the 100 in 10.5 and the 220 in :23.7. Farley put the shot 43--2¼ and hurled the disc 115-8¼.

Don Weisner set a new school record with a :15.5 clocking in the high hurdles. Jim Honeywell's :51,9 in the quarter-mile and Bill Curtis' 5-10½ high jump also stood out, as Jeff nabbed 11 of 15 first places.

Other varsity winners were: Al Arenson, pole vault, 11' 6"; Grasso, 880, 2:04.2; Johnson, mile, 4:51.5; and the Jeff relay team, 1:33.3.

Sonny Martinez scored a double win and the Jeff '30s went on to grab all but three first places in winning their meet. Martinez grabbed the 150 in :15.7 and the 330 in :37.4.

Other thirties winners for the Indians were Reed Grandy, 660, 1:30.6; Andy Estigoy, 1320, 3:28.9; Ron Molina, high jump, tie at 5 feet; Bud Pollard, broad jump, 18' 1½"; Moss, pole vault, nine feet; Carl Mecchi, shot put, 41' 8½"; Neil Dunford, discus, 101' 10½"; and the Jeff relay team, :48.4.

Harvey Marston won the low hurdles in :15.6 and the broad jump at 17' 2", but the Indian twenties bowed in a meet that was decided by the final relay event. Jeff led by one point going into the relay.

Other twenties winners were Gordon Tydingo and Deal, high jump, tie at 4' 10"; and Dean, shot put, 38 feet.

Faltering Indian Nine Slips To Third After SSF Loss

Weather permitting, the faltering Jefferson high school baseball team will seek to keep alive its NPAL title hopes after three straight league losses when it meets hapless Hillsdale today at 3:15 on the local diamond.

The Indians, who were in first place with a 4-0 record 11 days ago, plummeted into third place with a 4-3 mark when they were shut out by South San Francisco Wednesday, 3-0, on the Jeffs' field.

Friday San Mateo put down a seventh inning rally to avenge an earlier loss to Jefferson, 3-2. The Indians have not won a game since April 6 when they downed Capuchino, 6-3.

Ray Vuillemainroy was handed his second straight league loss in as many games Wednesday when he was again bested in a pitcher's duel. He allowed but four hits, but his teammates could collect only three.

The Warriors scored twice in the third and once in the sixth, as South City's Slafter limited Jefferson to singles by Leroy Franzoia, Tom Cloutier and Tex Prentice.

Vuillemainroy lost another closie Friday when he hooked up in a pitching duel with San Mateo's ace, Reg Christmas. Trailing 3-0 going into the final frame, the Indians almost pulled it out of the fire.

Catcher Bill Strassburger singled to center to lead off the frame. Mike Wedlake then singled hard off the shortstop's glove to put two men aboard.

Outfielder Tom Cloutier then blasted Christmas for a 350 foot triple, scoring Strassburger and Wedlake, but was thrown out at the plate trying to stretch the blow into a home run.

Had Cloutier held third he would have tied the game, for Haanan walked and Vuillemainroy singled. But with the winning run on base and only one out, Christmas fanned Bob Grubb and Ino Patron to end the game.

A home run in the first inning, the only earned run off of Vuillemainroy, put the Bearcats ahead, 1-0. San Mateo got its other pair in the third on two singles and a Jeff error.

Each pitcher gave up seven hits in the tightly contested game. Christmas struck out 14, while Vuillemainroy fanned six.

Next week the Jeffs travel to Capuchino for a league game Tuesday, to Santa Rosa for a practice tilt Wednesday and return home Friday to face Carlmont in another NPAL contest.

They must defeat league leading Capuchino (6-2) to remain in the title picture. South San Francisco (6-3) is in the runner-up spot.

Indian Frosh-Sophs Down Riordan, 4-1

Jefferson high school's frosh-soph nine bounced back from their second league defeat at the hands of Capuchino, 4-2, last Thursday to down Riordan, 4-1, Wednesday at Riordan.

Cap's league leading F-S got to losing pitcher Paul Tapia for six hits and a 4-0 lead before the Indians put on a belated two-run rally in the sixth inning.

Two singles by Gary Ryan and one by Puzzy Firth were all the young Indians could muster. Their league record is now 2-2.

They met Carlmont this Thursday in a league game after THE RECORD went to press. Wednesday they travel to Santa Rosa for a practice game.

EXPLAIN TESTING METHOD AT JEFF

To assist entering students, both freshmen and transfers, in planning their programs at Jefferson Union High school, Miss Beatrice Moldrup, director of testing, gives mental ability, reading, and mathematics tests. The prognostic tests in mathematics are given to help determine the students' ability to achieve in algebra and geometry, while the reading tests aid the teachers to place students where they may be given the most help. Students who are found to be seriously below grade level in reading are placed in a special class where they are given a great deal of individual help and thus are able to improve their reading skills quite rapidly, Miss Moldrup explained.

Also given to all entering freshmen is the S. R. A. Youth Inventory, which helps the deans to counsel freshmen concerning their personal, social, and school problems.

At the junior and senior levels the Kuder Preference test is given on request to assist the students to choose their vocations.

During the last part of the junior year the senior mathematics placement test is given to all juniors except those who have successfully passed algebra and geometry. From the results of this test students are placed in various sections of the required senior mathematics course.

The testing records are confidential and are available only to the faculty to assist them in counseling the students, the director concluded.

Village Notes

By Gwin Mitchell

PL 5-0679

One of the FFBVs left us recently—Martha and Cec Pinney have gone southwards. (FFBV meaning first families of Broadmoor Village!) Just before they left, however, all their neighbors on Louvaine gave them a farewell party, the progresive dinner sort. Bea and Tom Gantert started things off with the appetizers, Lorraine and Jack Bjorkquist served the salad, and the entree was very special. It was fresh-caught salmon, from the rod of Ray Johnson, and he and Aline went in with Janet and Pete Rizzo in preparing it. Everybody wound up at Gracia and Roy Kreuger's for dessert and entertainment and general after-dinner relaxing and conversation.

The stork seems to like April—so many of our friends have had birthdays this month, and so many more will be having them before it's finished. There are some new little friends who have picked April, too,—or rather, the stork picked it for them. One of these new young ones is Sam Rizzo, Stewart avenue resident, weight 7 lbs., 11 oz. He is currently delighting his parents, Sam and Olga, and his brothers and sisters, Mario, Maria, Prudy and Michael.

Foothill has an April flower, too—7 lbs., 15 oz. Kimberley Ann Brand, who makes it a foursome in her family—parents Darlene and Walter, and brother Jeff. As it is, the children will have birthdays within the same week almost, with Kim on the 14th and Jeff on the 8th. Grandfather William Koska has his birthday on the 9th, just to make things even nicer. He and Grandmother Koska live in Parkmerced, close enough to help Darlene through the first weeks of coping with a blessed but demanding new baby.

More New Arrivals

Two more young men complete the roster of newly arrived—James Daniel Frates and Donald Tedsen, Jr. Jimmy makes boy number four for Larchmont's Frates family, with Peter, Paul and Tommy the other three. Donny has a sister Maryanne, and parents Claire and Don to make him welcome on 87th street. In the weight department, Jimmy tops Donny with 8 lbs., 3 oz. to 6 lbs., 14 oz., but he has three brothers to contend with, so he may need the extra!

We took time out to pay a quick visit to the new library in Westlake, and already one of the youngsters in our family has applied for his library card—a good sign. It is an attractive cheerful place, this new community enterprise, and the books on the shelves invite readers to look at them. There are lots of empty places on the shelves, too, which invite you to do something about filling them. This is something with which we can all help, especially as it will benefit the most important people in our several communities—our children.

Guess whas we heard—Ray and Katie Flanagan are moving back to the Village again! This time they wil lbe Wildwood residents, and will probably add a whole new bunch of friends and neighbors to the list of old ones who are glad to welcome them back.

Last week it was Kay Mullen's birthday we wrote about—this week it's Edyth's. Edyth was 17 this past week, and, plus a family dinner with cake, had a wonderful whirl of dates and excursions with friends. All as it should be for a pretty girl!

Joint Party

Michael Waters had a 6th birthday, and Richard Waters had a 7th one, so they had a joint party in between the two (could be a little parental finagling?!!) at their home on Sweetwood. Guests Ronnie Shapansky, Mark Samuels, Barbara Krow, Bonie Mize, Lynn Peterson, Collins Orton, and Mike Crestoni had a fine time, and Daniel, Ann and Susan Waters made sure the rest of the family had a share of the celebration too.

One Thing and Another: The word is out that more homes are adding extra rooms to help growing families live more comfortably; Stettlers and Ganterts are two of the latest. . . . There is one big fine shiny new Chevie—and such a bright blue one—in the Orton household on Sweetwood. . . . Del and Maurine Guymon took an overnight trip to Ft. Bragg to attend a wedding and reception, and had a wonderful time. Everything was very swish, we hear. . . . That yellow boat we mentioned a while back in connection with George Carleton is his boat—sort of! . . . How about that new Bank of America TV ad—very appropriate for Our Town! . . . Have you seen the beautiful rhododendrons by the front door of the house on the corner of Midway and MacArthur? . . . Coping with sinuses, etc., lately have been Kay Logan, Madeline Feist and Dorothy Orton, plus quite a few more people, no doubt. Hope the sun decides to come back for a while and clear the situation up. Sinus is no fun. . . . King salmon is reigning supreme in at least two Village households these days. Larry Phillips and the two Gordons Feist have had a terrific run of luck lately, and frozen salmon is crowding everything else out of their freezers. . . . Recipe for attracting visitors in quantity: put up a tether ball in your front yard!

Birthday Wishes

A very special happy birthday to Manila's Gert Green, who celebrated with a dinner out with relatives in Sausalito. Incidentally, Gert will be serving as parliamentarian of the James L. Snell PTA this coming year. Keeping her company on the board will be Molly Phillips, Bill Beck, Marion Connolly, Alma Shapiro, Peg Elliott and quite a few chairmen.

Up on Larchmont, Neva Tracey has been having a family get-together. Her brother, Irwin de Grote, and his wife Doris have been visiting her en route home to Detroit from a vacation in Hawaii (another lucky family!). While they were here, Neva's sister, Amy Rodwick, and her husband Jack came down from Grant's Pass, and all of them enjoyed nearly a week of sightseeing, conversation, dinners out, conversation, plans and projects, conversation. . . .

The Traceys aren't the only family having a big week for themselves. Over on 90th Street a certain pink and gray station wagon has been whipping up quite a breeze going in and out of the Logan driveway on one expedition and another. The Ray Logans, Sr., came down from Nevada for a week's stay, with visits and dinners out with friends from here and there keeping them busy. A day's delay in arriving because of some 13 inches of snow in the mountains didn't seem to slow things down any! The week wound up with seeing "Oklahoma" and a special family birthday dinner for Ray, Sr. Another April birthday!

Interesting People

One of the most interesting people we've talked to lately is Nita Delfino, who lives with her husband, Adriano, and children on Washington street. Nita is well known among Villagers for her very wonderful ability in Oriental cuisine, especially when it comes to Philippine dishes. This ability came to the fore the other day when she engineered a surprise birthday dinner for Marge Shields. A group of Marge's friends met at the Delfino home and marched over to Shields' house, taking a dinner cooked by Nita, complete with cake and one large candle, and a birthday serenade by Adriano on his violin. It was a completely surprised and delighted Marge who opened her door to the Delfinos and Bea and Tom Gantert, Flo and Bud Thieman, Opal and Martin Berlin, Patti and Monte Dayton, Mary Ellen and Frank Tanner, Mary Jane and Eugene O'Brien, and Billie and Bob Buchanan. Needless to say, it was quite an evening, and everyone had a terrific time.

In talking further with Nita, we learned that she had written, w an Alice Mitchell, an Orien cookbook, which was published Chicago, and that she is curren working at Livingston's. Adria whose blood has more than a f share of printer's ink in it, is charge of the monthly paper p out by United Airlines.

Business has been so prosperous this year that we are in desperate need of more homes to sell.

BUSINESS IS GOOD

Here are 5 reasons why my office is selling more homes in this area than any other realtor:

1. We do more advertising, both locally and in the metropolitan popers, than any other office.
2. We hold more homes open for inspection than any other office, thus giving more people an opportunity to see your home.
3. My staff of licensed salesmen (23 strong) is the largest and most active in this area.
4. I personally have sold more homes in this area in the last 5 years than any salesman in the resale business.
5. We cooperate 100 per cent with all other firms on the sale of your home.

DC WIFE CHARGES HUSBAND WITH 'CAVEMAN' TACTICS

A 34-year-old Daly City man, charged by his wife with dragging her by the hair through their house and then slashing her arms with a razor blade, pleaded guilty to an assault and battery count Tuesday.

Arturo R. Gonzalez, 34, metal polisher of 141 Alexander street, is scheduled to appear in municipal court again next Tuesday for sentencing. Continuance was granted when Gonzalez' wife was unable to appear in court on the earlier date.

Mrs. Gonzalez alleges that her husband assaulted her when he arrived home drunk with a friend Sunday afternoon and she refused to serve dinner to him. She claims he grabbed her by the hair and started dragging her through the house until they reached the bathroom where Mrs. Gonzalez clutched a razor.

"If that's what you want," she quoted her husband as saying, and continued that he proceeded to slash her arms.

During the evening officers were called to the Gonzalez residence three times by the woman. Finally on the third trip at 1:45 a.m. Mrs. Gonzalez requested her husband's arrest.

The following day a complaint was signed at the district attorney's office.

Colma Resident In Court On Grand Theft Charge

Lee Downey, 912 Heather lane, Colma, was held to answer on a grand theft charge Tuesday in superior court. He is accused of selling a load of shingles to a San Carlos lumber firm that he was supposed to be delivering for a Washington firm.

An investigation was started when the shingles did not reach their Los Angeles destination. It was disclosed that Downey sold them in San Carlos for $1700, telling the buyer he had wrecked his truck and was disposing of the shingles as salvage.

San Jose Woman Hurt When Car Struck By National Guard Truck

A 48-year-old San Jose woman was injured Sunday when the car in which she was riding was hit from behind by a two-and-a-half ton California National Guard truck.

According to police, the accident occurred when an unknown motorist, seeing the car in front of him stop to make a left turn from Mission onto East Lake, suddenly swerved into the middle lane around the parked vehicle. The truck, which was third in line in the fast lane, plowed into the stopped auto.

Driver of the truck was William Arthur Brush, 20, a mail carrier of 704 Niantic street. The injured woman was Sylvia Martini, 48, of San Jose, who was a passenger in the car driven by Raphela C. Sanchez, 49, saleslady of 2412 18th street, San Francisco.

No citations were issued.

After picking, cloves are spread on mats to dry for six or eight days.

REPORT TWO GUN THEFTS IN DC

Thieves escaped with two guns in separate burglaries here Thursday and Friday. Victims were William A. Banfield, 180 Los Olivos avenue, and Joseph Cadena, 406 Chester street.

First theft occurred at the Banfield home Thursday night when the culprit apparently entered through a skylight, thereby enabling himself to climb through a kitchen window.

A .38 calibre police positive revolver was found removed from its holster from inside a bottom drawer of a bedroom dresser. Officers said a second gun, hidden in another drawer, was not taken. Also discovered missing a few days later was a man's watch valued at $40.

Second gun burglary apparently occurred Friday when thieves took a .38 calibre Remington automatic pistol from the Cadena residence.

Cadena told officers that he kept the weapon in a shoulder holster inside his army jacket hanging in the bedroom closet. The holster was found tossed aside. There were no signs of entry, and nothing else of value was taken.

Banfield estimated his gun was worth $40, while Cadena said his loss was $30, police said.

DC Pugilists To Wage Re-Match In Municipal Court

A pair of pugilists, one of whom outweighed the other by 82 pounds, are scheduled to appear in municipal court on Tuesday after they were arrested in front of a local tavern Monday night.

In the right corner, Judge Thomas L. Bocci will find John Melani, 45, weighing 252 pounds and standing 6 feet, 4 inches. Melani, a tavern owner, lives at 19 Garibaldi street.

In the other corner will be Stephen Biedove, 55, weighing 170 pounds and standing 5 feet, 10 inches. Biedove, a bookkeeper, lives at 75 Hillcrest drive.

Police said they arrested the men when customers at a tavern complained that they were fighting. Although end of the round was called at officers' arrival, the gong sounded again outside a few minutes later. A huge crowd gathered to watch the match.

Ringing the final gong, police referees crowned both contenders with disturbing the peace titles but handed Biedove special laurel of "drunk on a public street."

DC Scavengers Ask Permit For Dump In Winston Manor

Daly City Scavenger Co.'s request for a use permit to establish a fill and cover dump adjoining Winston Manor subdivision was continued to May 8 by the county board of supervisors Tuesday.

The board also agreed to sponsor a survey on the dump site problem in the north county.

They authorized the hiring of C. D. Allen, San Mateo engineer, who made a similar study for the south county that resulted in the proposed formation of a special assessment district for disposal of garbage and refuse.

Scavenger companies from Sharp Park, Half Moon Bay and South San Francisco appeared with the Daly City firm to plea for the granting of the use permit, which is opposed by the planning commission because of the proposed dump's proximity to a residential area.

Daly City Scavengers currently dump on Skyline boulevard on a temporary permit subject to cancellation in 30 days.

Earlier, Daly City had unsuccessfully negotiated for a municipal dump site on the coast. The Scavenger company began arbitrating for the site, but apparently abandoned this location.

Colma Entrants Bow Out In Spelling Bee

Colma elementary school's champion spellers were eliminated last Thursday in the county-wide spelling bee at Menlo Park, and the words that led to their downfall were "boulevard," "chimney" and "agreeable."

Lee Bullock lasted through five rounds of the competition, finally bowing out on "boulevard." In the battle for three heats was Ann Irvine, who was stumped by "chimney," while Connie Secrest went two rounds, and was eliminated on "agreeable."

The three students represented the Colma school, after defeating 24 other contestants in eliminations the pervious week.

Special schools for telephone people

The young lady at right is putting in her first day with the telephone company. Actually, she's in school, training at a practice switchboard to be an operator. In the same way, lots of other people with no telephone experience have become skilled in telephone work. We run many different schools for our employees, to train them as linemen, service representatives, and so on. This special schooling helps telephone people build better careers for themselves. And it also means your service is always in the hands of well-trained people. The men and women of Pacific Telephone work to make your telephone more useful every day.

Crockerites Report

Fourth Grade - Mrs. Gardner

The fourth grade is completing its social study projects on California agriculture. Linda Laureano, Jennifer Jacobsen, David Von Glahn, Freda Graves and Yvonne Felch produced a play using stick puppets they drew of celery, tomatoes, and lettuce, to tell the importance of the vegetable crop to our state. While the propects are being finished, the class has started studying about the national forests, parks and monuments in California. Mrs. Schmale, our Room Mother, showed us colored picture slides she had taken of Yosemite National Park and the Sequoia Gigantea trees.

Sixth Grade - Mrs. Goldberg

The past few weeks have been extremely busy ones for our class.

All of us have been making puppets of our favorite story characters. Most of them came from the story "Tom Sawyer." Liliane Villias and Marilyn Carr made the character Becky Thatcher. Janis Doneson and Ruth Wilson made Aunt Polly. Ronald Pennington and Harvey Rentsch are still working on Tom Sawyer. Billy Farrell is working on Injun Joe and Rickey Echols is putting the final touches on Muff Potter.

We also are working hard on our reports of South America. We are just about finished with our product map and our individual reports.

SM College Alums Back Dr. Taggart For Presidency

At a recent meeting of the Alumni association of the College of San Mateo, the group went on record as favoring the backing of Dr. Harold F. Taggart for the office of president of the college.

In line with this resolution, A. C. Olson, president of the association, sent a letter to the board of trustees suggesting that they consider Dr. Taggart for the post which is being vacated by Dr. Elon Hildreth as of June, 1956.

This action on the part of the association is entirely spontaneous and unsolicited by Dr. Taggart, according to a press release.

Olson is quoted as saying, "Why look outside the district when the logical choice is right here in the College already. This man knows every facet of the College, its needs, its history, and what is probably its future. At a time like this, when the College is in a crucial stage of growth, a man with experience in both teaching and adminstration at this college, who has followed every move of its development for over 30 years, is the man for the post."
